Gifts of Hope

Gift 1 **ADOPT-A-FAMILY**

Our Adopt-A-Family program is designed to allow parents, who are utilizing our Family Support Services and need a little extra help this holiday season, to do their own Holiday shopping and experience the joy that comes from this cherished holiday tradition. By allowing **parents to shop** and make choices for their own children, we support parents in their role as providers and children receive the gifts they most need and desire. By contributing **gift cards** in increments of \$25 (Target or Wal-Mart) you can help share the joy of the holidays and **Give Hope** to those parents who need it most.

1. ADOPT-A-FAMILY	
\$150	Suggested gift for a family of 6
\$100	Suggested gift for a family of 4
\$25	Share the cost

Gift 2 **SMALL KITCHEN APPLIANCES**

All of our meals are prepared onsite at our Children's Treatment Center and we use a variety of items for this. We are in need of a blender, toaster, mixer, and other assorted kitchen items.

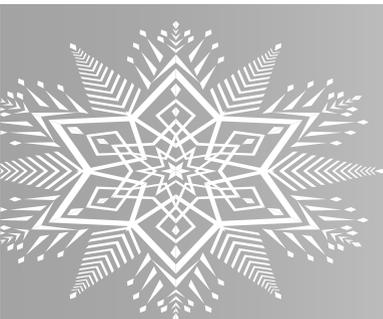

2. SMALL APPLIANCE \$45

Gift 3 **CLOTHING AND SHOES**

Most of the children who come to live at Families First arrive with worn out clothing and shoes. By contributing a cash gift or a gift card (to Target, Wal-Mart, Famous Footwear, Kohl's) you can provide a new outfit or pair of shoes for a child so they can have everything they need.

3. SHOES AND CLOTHING \$50

Gift 4 **ADOPT- A-ROOM**

For over 30 years the Children’s Treatment Center has been “home” for children who have been abused and neglected and in need of a safe place to heal. There is an on-going cost to maintain this facility and many rooms have not been updated for several years. By adopting a room you can help maintain our home-like and healthy environment by providing some of the necessary upgrades (new appliances, furniture, and accessories) for all of the living spaces.

4. KITCHEN		MUD ROOM	
\$800	Refrigerator	\$500	Remodel Cubbies, paint, tile
\$2,000	Kitchen Table and Benches	CHILDREN’S BEDROOM	
		\$150	Decorations, Linens
COMPUTER ROOM		LAUNDRY ROOM	
\$700	Computers/Laptops	\$2,000	Commercial Washer/Gas Dryer

Gift 5 **TOYS—HOLIDAY SHOP**

The Families First Holiday Shop allows parents to shop for Holiday gifts for their children. By offering this experience, we are helping restore some dignity to families who are encountering tough times and help parents maintain the self-respect of knowing they contributed towards their family’s holiday cheer. By contributing new **games** and **toys** (valued at \$30 or less), you can help **Give Hope** and brighten the holidays for a child in need.

5. TOYS \$30 OR LESS

Gift 6 **CHILDREN’S ONE-ON-ONE OUTING**

Treat one of the children at the Children’s Treatment Center to a fun one-on-one outing with a staff member. Outings may include dinner at a restaurant, a movie, a trip to the Children’s Museum or Museum of Nature & Science, ice skating or a sporting event.

Gift 7 **RADIOS AND ELECTRONICS**

The children in our care are in need of radios and electronics. They come to us without any possessions of their own. These are items that can provide distraction and comfort for them, as well as be something they have as their own, to keep and take with them when they move to their forever family.

7. RADIOS AND ELECTRONICS	
New Radios and Electronics for Children	Valued at \$40 or less

Gift 8 **HOST A TOY OR GIFT CARD DRIVE**

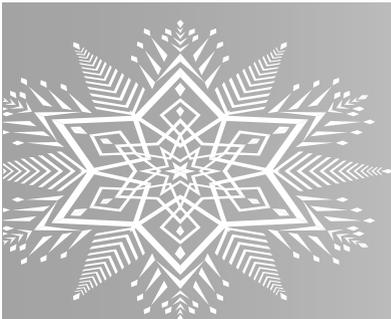

One way that you can support Families First is by hosting a toy or gift card drive with others. Whether you involve your staff or co-workers, or a community or faith group, you can team up with others who care about children and want to make a difference for the those we serve.

For a toy drive, refer to gift option 5. For a gift-card drive, gift-cards in increments of \$25 from places like Wal-Mart, Target, and similar stores are the most helpful. These help us provide families with what they need where gifts cannot, and allow parents the autonomy to choose their children's gifts themselves or provide a meal.
